

Airbus Challenge 2026

“Boosting Earth-Space Industry Partnerships”

Submit your idea
from **15 January**
to **25 March 2026**

Evaluation Criteria – INNOspace Masters 2026

For the Airbus Challenge “Boosting Earth-Space Industry Partnerships” the following criteria will be used to evaluate the submitted proposals during the online evaluation and to calculate the final score:

CRITERIA

Relevance

Scope & Realisation

Technological Feasibility

Market Potential

Innovation Level

Competence

Competence

DESCRIPTION

There is a clear relevance to the topics of the Airbus Challenge.

The project plan and schedule are realistic, and the amount of funding is appropriate.

The idea/solution is technically feasible.

The exploitation potential and the chance for commercial success are high.

The degree of innovation that the development represents is high.

Professional expertise and prior experience are sufficiently demonstrated.

The relevant skills to implement the idea are available in the team.
